

## INVITATION FOR OFFERS FOR PROMOTIONAL PACKAGE WITHIN THE SI-HU PRO PROJECT (WORK PACKAGE COMMUNICATION)

Within work package communication partner ITC (Innovation Technology Cluster Murska Sobota) would like to invite tenderers to give offers for promotional package with on-printed logos of the project as stated and as shown as examples below:

1. roll-up 1 pc (85 cm \* 200 cm; aluminium frame; PTP carrier bag)
2. flask 200 pc (BPA-less, min. 600 ml, leak-proof, with handhold)
3. high-visibility vest 200 pc (fastened by velco, wide, 100% polyester, yellow colour)
4. textil shopping bag 200 pc (collapsible, with handles, 15 liter capacity)
5. reflective band 200 pc (arm and leg, yellow colour)
6. recycled waterproof bag (to tour) (string-shoulderstrap, front high-visibility band, min. 35 cm \* 41 cm)
7. mini flashlight 200 pc (aluminium 9 LED flashlight)
8. thermos 200 pc (400-450 ml capacity, double-walled stainless material)
9. cyclist raincoat 200 pc (with loose-fitting and hood, thigh-long, waterproof material, waterproof sewing)
10. pen 200 pc (white pen, blue colour, non-refilled)
11. block 200 pc (with 48 + 4 pages, A4, cover: 300 grams).

### EXAMPLES OF MATERIALS WITH ON-PRINTED LOGOS:

<p>roll-up 1 pc (85 cm * 200 cm; aluminium frame; PTP carrier bag)</p>	
--	--

flask 200 pc (BPA-less, min. 600 ml, leak-proof, with handhold)

high-visibility vest 200 pc (fastened by velcro, wide, 100% polyester, yellow colour)

textil shopping bag 200 pc (collapsible, with handles, 15 liter capacity)

<p>reflective band 200 pc (arm and leg, yellow colour)</p>	 A long, bright yellow reflective strip with a roll of the same material next to it. The strip has logos for SI-HU PRO and Interreg.
<p>recycled waterproof bag (to tour) (string- shoulderstrap, front high- visibility band, min.35 cm * 41 cm)</p>	 A white, recycled waterproof bag with a string-shoulder strap. It features the SI-HU PRO and Interreg logos on the front.
<p>mini flashlight 200 pc (aluminium 9 LED flashlight)</p>	 A small, cylindrical, silver and white mini flashlight with a lens at the top.
<p>thermos 200 pc (400-450 ml capacity, double- walled stainless material)</p>	 A silver, double-walled stainless steel thermos with a black handle and a black cap.

<p>cyclist raincoat 200 pc (with loose-fitting and hood, thigh-long, waterproof material, waterproof sewing)</p>	 A bright yellow, long-sleeved cyclist raincoat with a hood and a front pocket. It is shown against a white background.
<p>pen 200 pc (white pen, blue colour, non-refilled)</p>	 A white ballpoint pen with gold-colored accents and the Interreg logo on the side.
<p>block 200 pc (with 48 + 4 pages, A4, cover: 300 grams)</p>	 A block of paper with the SI-HU PRO logo and Interreg logo on the top edge. The rest of the block is blank white paper.

Deadline for delivery of printed materials is 15. August 2020.
